# Cross Country: Runner-Ups for States

The 1982 Cross Country team was the best in this school's history. The team won nine invitationals during the year, and finished second at the state meet.

The team's titles included the Catholic League, City, and Regional Championships. It was the first time the Cross Country team had won the Catholic League since 1973. In winning the invitationals, the team posted several meet and school records.

Many individual honors were obtained by this year's team. Seniors Paul Buchanan, Tom Zakrzewski, and Phil Schmitt along with Junior Mark Anderson, and Sophomores Stever Shaver and Marty Hegarty grabbed All-Catholic Honors.

Paul Buchanan, Steve Shaver, and Marty Hegarty, grabbed All-State honors also. The team returns a strong nucleus, and hopes to improve on its outstanding accomplishments.

1983 YEARBOOK

### BE JOYFUL INTO THE LORD!

Our whole life is dedicated to the search for happiness. But, all too often we are like a runner who wants to win the race without knowing where the goal is. Stop for a moment to seek the right road. Your every action is ultimately aimed in the direction of happiness. It is God Himself who planted this hunger for happiness in the very depth of the human heart. You were made for happiness and this hunger which you feel is an invitation from God, an invitation echoing down the corridors of His eternity.

We all have experienced pleasure and joy in our lives. Don't rest content just with pleasure; it will never fully satisfy you. Joy, on the other hand, is a reality of the spirit. Welcome it into your life and you will at the same time experience something of eternity. Your problems, trials, sufferings, and death should never be allowed to extinguish the joy of the spirit. Pleasure and suffering, to be sure, are incompatible companions, but joy is able to transcend even the most trying of sufferings.

The road that leads to happiness takes its point of departure at your doorstep and radiates out to others. Your joy will begin at precisely the moment that you abandon the search for your own personal happiness to seek the happiness of others. Realize too that no one can ever be fully happy without God, who alone can satisfy our longing. The reason for this is that the hunger for happiness which each one of us experiences is in fact a hunger for God. Woe to the self-satisfied who have extinguished the flame of desire for Him by drowning it in the shallow waters of pleasure.

Joy has to be awakened by continual giving, but this demands self-forgetfulness. Joy is nothing less than that new life which we find in Jesus. Be true to your name of Christian, follower of Christ, and never lose heart. By our 'yes' to Him in Baptism we are committed to live an other-centered life. The life of God is pure joy precisely because it is pure giving. That is the joy, the life, to which we are all called.

Fr. Phil Acquaro, C.S.B.

As the old saying goes, "all good things must come to an end," is again true for this school year. For the Seniors, it's the end of high school, and the start of a new experience, college life. For the underclassmen, they move up, taking on new roles of leadership.

This year has seen many exciting events: upsetting the "Spad", capturing most of the Catholic League Titles available, going to the quarterfinals in basketball (when nobody but us believed they could), vacationing in Florida, graduating, and many other things.

I like to thank all those that help put Shamrock '83 together, especially Steve Bodnar (he stayed with me to put the finishing touches on the book), John Eads, Greg Fortescue, Greg Roorda, Pete Poirier, Joe Kley, Brian Pinkleman, the rest of the yearbook staff, period seven Journalism, and Mr. Weatherly (he's the one that kept extending the deadlines). A special thanks goes to Mr. Wilson, whose experience, knowledge, and patience, taught me how to put this book together. Thank-you all.

Many people say that the purpose of a yearbook is to bring back memories, so I hope this book does just that. It was fun, let's hope those memories will live forever.

Sincerely yours,  
John B. Fitzpatrick  
Editor-in-Chief  
Shamrock '83
